

Resolution 98-02

Staff Recreational Access Resolution

Whereas the University of Southern California should be committed to the promotion of good health through recreation of its staff employees, and

Be it therefore resolved that the Staff Assembly of the University of Southern California recommends that an agreement be negotiated between the Senior Vice President of Administration and the Lyon Center to provide free access to that facility to all benefits-eligible staff and that such an arrangement be in place for the Fall, 1998 semester.

Moved: Compensation and Benefits Committee

Seconded: Rick Scott

Date: September 3, 1998
