

Dear Community,

We mourn the deaths of George Floyd, Ahmaud Arbery, Breonna Taylor, and all who have lost their lives. We denounce police brutality, systematic racism, and the unfair judicial system.

USC Staff Assembly supports our Black staff, students, and faculty. We will release our FY21 plan in the upcoming weeks. We will support university initiatives and expect to collaborate on all proposed programs. We will also identify top priorities for Staff Assembly with a focus on actions that will lead to real change.

If you are interested in working with us or have information that would be helpful as we prepare for action, please click here. In the meantime, we encourage you to watch and share these videos and campus stories:

**We stand together  
with our Black staff and
